BROOKLYN HAS SIX FIRES, LEGAL RIGHTS OVERRIDDEN, NOVELTY IN STAGE ROBBERY, SPORTING NEWS AND NOTES.

Mayor Gilroy Will Break Ground for the New City Hall.

Immediate Steps to Be Taken to Complete the Plans.

Possible Removal of the Present Hall to an Uptown Park.

"The present City Hall will have to come down, and I expect to break ground for the new building not later than next June," said Mayor Gilroy this morning.

"It will take several months to prepare plans for a building such as we propose to put up. The Committee appointed to consult architects in regard to plans and specifications will go to work at once."

"I have not heard from the Historical Society in regard to its plan to remove the present City Hall to some park, to be there used as a museum. If the Society has such a plan the Commission would be glad to hear from the officers."

The Mayor thought it would cost at least \$150,000 to remove the present City Hall and erect it in another place.

The other members of the Commission are in accord with the Mayor. The resolution adopted at yesterday's meeting practically fixes the site for the new building on the site of the present building, south of the County Court House, east of Broadway and west of Park Row.

The Sub-Committee appointed to have plans prepared will go to work at once. The Committee will meet to-morrow, surrogate Fitzgerald, one of the Committee, said to-day: "We shall consult the greatest minds in regard to plans and have them prepared without delay."

If the present City Hall is torn down the City Court and the Mayor will have to find temporary accommodations elsewhere, probably in the new Criminal Court Building, which will soon be ready for occupancy.

THE "L" ROAD FARE BILL.

Sent to the Cities Instead of the Railroad Committee, in Assembly.

(BY ASSOCIATED PRESS.)

ALBANY, Jan. 12.—In the Assembly to-day there was some dispute over the reference of Mr. Finegan's bill reducing the rates of fare during certain hours on the New York Elevated Railroads.

The Speaker referred it to the Cities Committee, and Messrs. Guenther and O'Connor thought it should go to the Railroad Committee.

The Speaker said the bill affected New York City alone. Mr. Bell said that all of the same nature had gone to the Railroad Committee. He thought both should go to the same Committee. He did not care what happened to it.

In the absence of Chairman Webster, of the Cities Committee, no change in either reference was made.

SULZER'S COLUMBIAN BILL.

Passed by the Assembly with Only One Dissenting Vote.

(BY ASSOCIATED PRESS.)

The first bill to be voted on was one of this very order.

The bill was passed with only one negative vote, Mr. Kilson's.
